and Brother NOLAN the sick pastor came to our service and we prayed for him, and He spoke some words to the people who were in the service, and he told the people to press on because this is the true.

Lot Catholic people are testifying that this message is the truth, I don't know what they are going to do with it, but they are listening the truth

We also shared a Little offering with Brother NOLAN because He did not have any money to buy food and he was needing help.

We arrived around four o'clock in Baykan.

**Brother Zoilo Siblas the shief**, who came to Puerto Lempira about 6 months ago to be baptized in the Name of the Lord Jesus Christ, The Pastor from Puerto Lempira Baptized him in water.

He want to be baptized in Baykan River, so his people can see him being baptize in water.

But we were not able to go to Baykan went we planned to go, therefore he came to puerto Lempira To be baptize.

He was waiting for as with some of his people.

The teacher of BAYKAN school **Brother Hitler**, went to pick us up over in Lisagny Pura in a small boat, we have meet this brother some time ago, and we have been witnessing to him about the message few months back, and now we had the opportunity to be in his place.

Brother Hitler and his wife has been working in Baykan town School for 12 years, they both belong to a church call MORAVIAN CHURCH.

We also meet **Brother Arlets**, who is the man incharge (PASTOR)of the Catholic church in Baykan, who is brother Zoilo's son. (Note:We Heard a testimony about Brother Arlets, that he is a cigarret and mariguana smoker, but we never saw him doing it.) He was very happy in fellowship with us.

Brother Arlet was very kind with us, and he was waiting for us with open arms, He also gave us permission to use the old catholic building to preach the Word, which we did use it to preach five services and he and his wife both were in every service we had.

I preached Thursday night, Friday night, Saturday night, Sunday morning and Sunday night, in the Catholics on building, I believe that, that was a miracle. Don't you?

**Friday Night**, I told to the congregation, that I was going pray for the sick Saturday night, Thursday and Friday I did not make any altar call, because I was waiting in the Lord to tell me the momento to do it.

**Saturday at 1:00 pm** Brother Hitler, the teacher, he invited us to come to see the kids at the school and gave us chance to tell a Little bible story to the students, we had a wonderfull time with them.

**Saturday night** I was preaching of the woman with the blood issue, trying to raise the people's faith, for the healing of their bodies and suddenly the Lord turned the message

to have faith for the healing of the soul, which they have never Heard such thing as healing for the heart to cleanse all the sins away.

I make an altar call, for the sinners.

The teacher, brother Hitler was the first one to come over, then his wife and six more, plus brother Zoilo Sibias the shief, he also came to the altar to make a covenant with the Lord.

Total 9 people came to the altar to receive The Lord Jesus as their Savior.

And after that we did prayed for the sick, and we Heard a testimony that there was one sister suffering the same problem of the subjet I have preached, Blood issue and when I was praying for her, I told her to have faith to receive divine healing of her blood issue problem.

I did not know nothing about it, but the Lord new her problem and gave her, her healing.

### Sunday Night.

The Last evengelistic service in Baykan.

Most of the people was happy, but we also had some of the inhabitants againts us. Brother Arlet, the Catholic Pastor, He never said anything about to receive the Word or to come out of the catholic sistem, But he said something through the microphone. He said I know that I will have trouble for receive these brothers, but I know one thing, they are preaching the true, and he told us that he will be there for us when ever we come back.

Lot people said that they were not sure if we will come back there, Because they don't have conditions for missionaries, because they don't have Toilets, not clean wáter, no beds to sleep, we took a bath in a muddy river and we went to use the bathroom in the forest and lot pigs come after you to clean the place up.

But, they asked us please come back, because they said that no body has ever preach something like we have preached.

And I said this; if the Lord provide the expenses, keep our health in good condition and give the courage to do it, for us to come back, we are willing to come back as soon is posible.

Brother Hitler Wife told me that she will be ready to get baptize in my next trip, and lot other people were talking about the baptism in the name of the Lord Jesus Christ.
