Back in Puerto Lempira.

As I told you in my missionary Report, that I wanted to flight friday morning at 6.00 am flight, but there was not seat available in that flight, only in the second flight at 11.00 am.

we had a service thursday night and this young brother gave his heart to the Lord and wanted to be baptize in water, there fore we went to the lake friday morning to baptized him and after that, I went up to the airport to get my flight with out problem.

God new that I was needing some time in the morning to baptize this brother.

God is Godd all the Time.
