Baptismal service today after the morning service.

I had the privilege today after morning service to baptize 5 sisters. Including sister Yissel my daughter in law, this is a picture of her.

This grandma who got baptized with her granddaughter, both names are Martha.

Sister Carmen, was the one who desired to get baptize and when the other sister heard about it they also made the decision to get baptized. Please pray for sister Carmen, she has non Christian husband with bad attitude towards it.
